### COMPROMISE IS DANGEROUS AND DEADLY

By Don Drake

We read in I Peter 4:7, "But the end of all things is at hand: be ye therefore sober, and watch unto prayer." Peter says the end of all things is at hand. How should we live when under the climax of history? We need to live serious, self-restrained and keep our mind on the return of Christ and the uncertainty of life. "The end of all things is at hand".

This seems to be an age of compromise, of fence straddling and over riding our conscience and going against our better judgment. The warning light is burning and we had better not ignore it. Anyone can follow the herd, and blend in with the crowd. But it takes backbone to walk with God in such a manner that others recognize Jesus in our life. Paul said in II Corinthians. 3:2. "Ye are our epistle written in our hearts, known and read of all men". The majority will never read Matthew, Mark, Luke and John. But they are reading our lives.

We sing a song that speaks volumes, "This World Is Loosing It's Hold On Me". Paul was dead to the world and the world was dead to him. There is no response to the

evils of the world if you are graveyard dead to it. Prayer makes the world loose it's pull, it's charm, it's hypnotic effect.

The world is a great lover, but also a great deceiver, it will pull you away from the Bible, the prayer closet, the Church and God. If you compromise your convictions Satan will steal you blind. He will make human junk of your life.

Compromise got Solomon the wisest man who ever lived. It got Sampson the strongest man who ever lived and compromise destroyed King Saul to the extent that he said, "God is departed from me and answereth me no more. If we don't want to come to the close of life a spiritual "has been" or "moral wreckage", we had better guard against those little compromises that grow into full grown habitual behavior that makes us self destruct. No wonder Paul said be ye therefore sober and watch unto prayer. The end is coming, the great climax of history is on it's way, are we ready?

We may not be what we think we are, but we are what we think.

## From Lois Wilson...

What a wonderful Spring Share-A-Thon we had, we always pray that it will be more than just a time to raise money, that God will be here, Miracles will happen. He supplied the financial need and saved a Precious Soul. What a Mighty God we serve!! We're so thankful for all those that helped in any way through out the Share-A-Thon, we couldn't make it without you. I'm so thankful that God lets us be laborers

together to tell the world about the amazing love and grace of God. We all have loved ones that are lost. I pray that we can let our lights shine to show them there is joy in serving Jesus.

We're so happy to have Cathy Southerland helping us part time, she is an inspiration to us all.

Our 21<sup>st</sup> Anniversary singing is August 5<sup>th</sup> at Danville First Church of God on Harrodsburg Road with "Set Apart". This will be a great time of worship with a chance for

us to meet lots of folks from our listening audience. This is always a blessing. We are so blessed to have wonderful friends that listen on the internet, who call and encourage us and help financially to spread the gospel. May God Bless You All!

Please keep us in your prayers as we work to tell the world about Jesus.

## From Cindy Pike...

I am just amazed that we are now in the month of June...wow! All I can say is things at WDFB have been BUSY!!! Since the last newsletter, we have had to rework all of our music on the computer, we now have about 200 more songs to do, but we've come along way from 6000+. Our volunteers have been wonderful and I thank you so much!!!

I'm looking forward to you getting acquainted with Cathy Southerland....she is a real God send!!!! We are so blessed to have her join our family. We have been praying and looking for some extra help for some time and I believe the Lord sent Cathy our way. Pray for her as she deals with me! ☺

Make sure you visit our website at [www.wdfb.com](http://www.wdfb.com)...see pictures of the sign and Share-A-Thon....also remember you can listen to WDFB live!

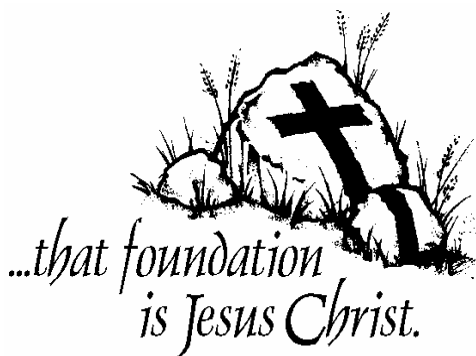

We have several activities coming up in the next couple months. Please remember all of them in prayer. We will be putting our 21<sup>st</sup> Anniversary Booklet together in July.....We'll have a Jam Session on the 15<sup>th</sup> of July. Then on July 23<sup>rd</sup> I will be traveling along with three other adults and several youth from the Danville First Church Of God to California for a week. We'll be attending the International Youth Convention in Anaheim and also doing a little sight seeing. I'm sure I'll have stories to tell you at our Anniversary singing, which is August 5<sup>th</sup>. Can't wait to see you there!!!

Until then, Keep praying!!

## From Jr Fields

"Busy, busy, busy. Things have been busy lately. Share-a-thon, revivals, church work, people having surgeries and the list goes on. When we look at how time is racing by, it reminds us that we are one day closer to the Lord's return. There was a time in my life that I didn't care for the Lord's work, but now I cannot work enough for Him. Still too many lost people out there that need the Good News of Jesus Christ, too many hurting families, broken relationships, people who need what the Lord has to give.

So we work until He returns. WDFB is sending the message around the world, churches are working locally doing the same. One day we'll get to rest, but not now, not while hell is still enlarging itself, not while lies like the "Da Vinci Code" are still being told, not while crime and immorality still perverts society. Thanks to everyone who keeps Christian radio alive and well. Let's keep working while it is day for night cometh when no man can work!

-I Corinthians 3:11

## **From Mildred Drake**

Praise the Lord for a wonderful Share-A-Thon! Thank God for the soul that was saved. I pray many others were saved during this time also. Let's not forget to pray for all the new converts. I'm sure many other needs were met too.

I thank God for His wonderful presence throughout the Share-A-Thon. The love that was shown among all our wonderful friends, from all different backgrounds, there was such a spirit of love, unity, joy, caring, sharing, it's just better felt than told. I just don't have the words in my vocabulary to express the wonderful feeling. I just pray you felt it as you listened.

We want to say a BIG Thank You to all who helped in WDFB's Spring Share-A-Thon. Thank you for being a part of this ministry. You are a blessing to us and all of

WDFB's listeners. You are being a faithful Missionary. Again I say Thank You and God Bless You.

Thank you for helping with the new WDFB Sign. Thanks to all those who came and worked to get it up. Al Smith constructed the base. Jess Wilson and Freeway Excavation brought their backhoe and dug the base. J. C. Miller at Equipment Sales and Rental loaned the equipment to dig the electric line. Kevin Moore operated the equipment to dig the line. Bobby Abbott, Chris Powers, Dean Jepsen all helped dig and prepare the ditch for the electric line to be laid.

Pete Coyle made the trip to pick the sign up and helped to put it up. Several of these helped to assemble and erect the sign....Gary Caldwell, pulled in just in time to help lift it onto the foundation.

This was a very big undertaking for us and we are so thankful for each one who had a part.

G. G. Harmon is getting a Flag Pole and Flag for WDFB. It should soon be up. We really appreciate this and you will be hearing more about this a little later.

I have several thousand pictures I am picking through to put in WDFB's 21<sup>st</sup> Anniversary Book. Our celebration will be Saturday August 5<sup>th</sup> at 6 p.m. Set Apart will be here to sing. They are a lot like the Primitive Quartet.

We plan to have a singing here at WDFB on July 15<sup>th</sup> I hope you will plan to come, sit in the audience and enjoy it. We also plan to have a Radio Revival in August. Continue to pray for us as we pray for you.

God Bless You,  
Mildred

## **From Cathy Southerland...**

Greetings In The Name Of Our Lord And Savior....

I would like to take a few moments to introduce myself to everyone. My name is Cathy (Wilson) Southerland, and I am the new part-time employee of the ministry of W.D.F.B. I count it a blessing to have this opportunity to serve The Lord and You our beloved listeners. I feel that God opened this door for me and I am very honored and blessed to serve in this ministry. Let me tell you about

my co-workers----well, they are just the greatest people on earth and I love each and every one of them. Please pray for Sister Cindy, as in addition to all of her other duties; she is trying to train a rookie. She is a great teacher and has loads of patience.

Brother Drake had the privilege of performing my wedding 36 years ago to the man of my dreams and the greatest man of faith that I know, Clyde (Deannie) Southerland. We have two wonderful gifts from God named

C.D. age 32 and Eric age 26. Dean and I attend Friendship Church in Butchertown, and we both have served the Lord for most of our lives. I desire the prayers of God's people that I would be a blessing to this ministry and to each and every one of you.

God Bless

Your Sister In Christ, Cathy

**From Jim Gaskin....**

I think, in light of the problems our nation faces including attacks on the very fiber of our being. I share with you the lyrics to a song I wrote. Coming between Memorial Day and Independence Day, it is timely. I hope it inspires you.

I STILL LOVE AMERICA  
(Jim Gaskin 5/19/06)

(Chorus)  
I still love America!  
Those rowdy crowds can't make me change my mind.  
I still love America,  
I'm proud to be the patriotic kind.  
I still love America, I still love America.

(Verse One)  
God was at the table when our nation was designed.  
He was in the hearts of those who wrote each word, each line.  
And don't tell me how times have changed; truth is still the same.  
If you don't like it, turn around; go back from where you came.

(Repeat Chorus)

(Verse Two)  
The worst of all is some of our own, so blind they can't see  
The cost we've paid through all these years to keep our country free.  
How dare you stand on graves and blood of patriots, tried and true;  
Throw out your chest and say how bad this country's treating you.

(Repeat Chorus)
