## From Don Drake.....

Paul tell us in Titus chapter two, that we should deny worldly lust and live soberly, righteously and Godly in this present world. And in. 1 Pet. 2:11 "Dearly beloved I beseech you as strangers and pilgrims, abstain from fleshly lust which war against the soul."

Satan seeks to destroy your life, your marriage, and character. He will make you a crippled ruined soul limping through life with sad memories of what might have been if you had stayed true to God.

This is a lust driven society. You can see them gravitate to what lures them most. There is a fixed law that water always seeks its own level. There are many who seek the level of their own lustful desires. One day they will regret it but that won't turn the clock backwards. They will grieve over their past but that won't turn the clock backwards. They will be sorry for what they have done but that won't turn the clock backward. They will suffer misery, anguish and heart break but that won't turn the clock backward.

We read in 1 Peter 5:8, "Be sober, be vigilant, because your adversary, (opposer, enemy) the devil as a roaring lion, walketh about seeking whom he may devour". Sober means watchful, pay attention, self-control. It also means face reality. There are some serious realities we must deal with. There is the reality of sin. What are you going to do about all the sins of the past that is recorded against you in God's books? Don't forget about the reality of death. Every community has its graveyard and every town and city has its funeral home. The chance of dodging death is zero unless the Lord comes before death knocks on your door.

There is the reality of Judgment, Heaven and Hell and don't forget about Eternity. Sin is no joke and chickens will come home to roost. The devil is real and has great delight in making you a prospect for a Godless eternity with him in hell.

Many years ago a certain ruler had a small army and they were conquering over cities that had armies much larger than theirs. One day someone ask him how he was able to win over these larger armed cities and he said we always bribe the gate keeper and go in at night while all were asleep.

Our mind is the gate keeper of our soul and Satan will play with the mind and suggest, how to enjoy sin. If you let these things dwell on your mind, satan will be successful in bribing your mind and arrange the perfect timing for that act of sin that will cost you more than you ever could imagine. That is why we need to liver soberly, righteously and Godly in this present world.

## LABOR

By: Jim Gaskin

Colossians 3:23 *And whatsoever ye do, do it heartily, as to the Lord, and not unto men.*  
Colossians 4:1 *Masters, give unto your servants that which is just and equal, knowing that ye also have a Master in Heaven.*

Did you ever watch folks as they work? Preachers, teachers, musicians, song leaders, ushers and other people as they fill their role in Church? Well, some seem to do their assignment joyfully and carefully while others look like they'd sure like to be somewhere else, doing something else. Maybe they start out with a lot of enthusiasm, then drift into a sort of "automatic pilot" mode. Usually, the joy and affectiveness just seem to fade away. If it's a matter of our job or profession and we aren't happy, every day we put off getting to the bottom of the problem is another day we settle for less than the best. If it's a matter of our Christian life, its even more important that we find out what's wrong; whose fault it is. So often, it's a matter of our attitude.

There are many versions of this story; you may have heard it:

A reporter was interviewing workers for a story on labor. One worker when asked "what do you do" said gloomily "hour after hour, day after day, I put these little rivets in little holes in steel". Another worker asked the same question. Grinned from ear to ear and replied "oh, I have the best job in the world! I'm helping to build a fine new ship; the finest in the world". The two men had the same job and worked side by side. Now, which worker do you think was the happiest?

Let's examine our hearts and determine to be happy in our work for God and man.

There is nothing you are facing that  
God doesn't have a solution.

\*\*\*\*

One woman defined her mates  
retirement as twice as much husband  
on half as much pay.

\*\*\*\*

You will be what you are becoming!

You will never have any  
situation, crisis, problem or  
apparent tragedy that can  
catch God off guard!

\*\*\*\*

God loves us just the way we  
are, however, He also loves us  
too much to leave us just the  
way we are. That's why He  
puts us on the Potter's wheel.

## From Lois Wilson.....

We sure have had hot and dry weather this summer, it's hard to believe that Fall is here, time is passing by so fast, it reminds me of the scripture, Romans 13:12, The night is far spent, the day is at hand, let us cast off the works of darkness, and let us put on the armor of light. If there ever was a need to let our light shine it is now with issues facing us daily, same sex marriage, abortion, alcohol, gambling, homosexuality, just to name a few. God truly loves us, to see all this happening in our world, but still tarries that we can pray for our lost, I'm sure every family has lost loved ones that's why WDFB Lighthouse Broadcasting goes out around the world, the greatest need is to see souls saved. Continue to pray for us daily as we work to send out the light of Jesus. Thanks to everyone who helps in any way, all the volunteers, pray for Fall Share-A-Thon now in progress thru the 28th. Lets all work together to win the lost.

## From Mildred Drake.....

We have had a hot, dry Summer, but God is so good and has given us a good garden (mulch pile) it held the moisture, so didn't suffer much from the dry hot weather.

We have some kind of varmint that is eating the cantaloupe as soon as they begin to get ripe. So I must check them daily. The squirrels and birds have eaten every apple we had, they also had their share of the grapes and blackberries.

As usual, we have been very busy and have accomplished a lot, with the help of our Friends. The new fences are up at the towers. Thanks to Jessie Griffin for the labor and all the work he has done. Inter County Energy drilled the hole to prepare the foundation for the flag pole. Jessie Griffin did the work and has the flag pole up. Mayor G.G. Harmon was instrumental in getting WDFB a Flag Pole and Flag. Thank you so much.

God is Love and that keeps running around in my mind, so thought I would share some of the scriptures that have been coming to my mind. Of course 1 John has so much to say about Love. As we listen to so many Churches and homes with problems...it all boils down to a 'LOVE' problem. If we love the way God tells us, 99% of the problems would never come about. Let's just fill our lives with these scriptures. They will bring love and joy to you daily....which also makes for better health.

1 John 4:9-12: *In this was manifested the love of God toward us, because that God sent his only begotten Son into the world that we might live through him. Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins. Beloved, if God so loved us, we ought also to love one another. No man hath seen God at any time. If we love one another, God dwelleth in us, and his love is perfected in us.*

1 John 4:16: *And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him.*

1 John 4:18: *There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.*

1 John 4:19: *We love him, because he first loved us.*

1 John 4:20: *If a man say, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?*

1 John 4:21: *And this commandment have we from him, That he who loveth God love his brother also.*

1 John 5:2: *By this we know that we love the children of God, when we love God, and keep his commandments.*

John 13:35: *By this shall all men know that ye are my disciples, if ye have love one to another.*

## From Cathy Southerland.....

Greetings:

I pray that this Newsletter finds you in good health and prospering in the things of the Lord.

I woke up this morning sensing a change is about to take place. After a long HOT summer we were blessed with a refreshing rain, last night. The air seems cleaner and the grass looks a little greener this morning. Just like the changing of the seasons, we as individuals go through changes in our lives. I guess you could say that I have entered the fall season of my life, quickly heading toward winter. Springtime passed in the blink of an eye, taken over by the carefree days of youth. Summer was spent raising two boys and working a full time job, now fall is here and I have the responsibility, along with my sister, Charlotte, of caring for an elderly parent.

I have seen quite a few changes take place during my lifetime, some good, many not so good. There is, however, a constant in my life. I serve a God who never changes, Hebrews 13: 8, says Jesus Christ is the same yesterday, today and forever. Praise God, no matter what may come or go in my life, Jesus Christ will always be there to see me through every trial, rejoice with me over every victory. What a Mighty God We Serve.

Speaking of Fall, please remember to be in prayer about WDFB'S upcoming Fall Share-A-Thon.

Your Sister In Christ,  
Cathy
